SPRING 2024 COLLECTION

JIM THOMPSON

BLOOM COLLECTION

This new collection of printed, embroidered, and woven textiles is a celebration of botanical beauty, with colors and patterns inspired by blossoming gardens, exotic foliage and lush rainforests. A rich mix of silk ikat, finely woven linen and plush cut velvet, all interpreted in soft and clear floral hues, blend together to create pretty and classic interiors.

SOLSTICE – INDOOR / OUTDOOR FABRICS COLLECTION

Our newest indoor-outdoor textiles are woven with soft polypropylene chenille yarns that offer a soft hand combined with superb performance and UV resistance. Small-scaled ribbed stripe Coastline and bolder Lido Stripe are complemented by Lanai, a versatile twill plain weave in forty shades, including a full range of sophisticated neutrals and bright, sunny shades.

SOLSTICE TRIMMINGS COLLECTION

Complementing our outdoor fabrics and many of our interior textiles as well, these trimmings offer classic options of twisted cords, brush fringes and bullion fringes in high performance, recycled polyester yarns that have superb UV resistance for indoor and outdoor use. Each trimming comes in a versatile color palette of twenty shades designed to layer with our outdoor fabrics, perfect for creating coordinating and contrasting finishing touches to upholstery, cushions, curtains and more.
